Building Trust Through Credible Communications: A Guide for Effective Election Management Bodies' Outreach to Political Parties

Monday, May 20, 2024 4:00 PM EDT

Register to Attend

CEPPS core partners IFES and NDI will present the findings of a DEPP Technical Leadership Project titled "Practical Guidelines for Strengthening EMB and Political Party Relationships Through Improved Communications and Coordination."

Presenters

Dr. Fernanda Buriil

Deputy Director of the Center for Applied Research and Learning, IFES

Fernanda is the Deputy Director of the Center for Applied Research and Learning at the International Foundation for Electoral Systems (IFES). Her main areas of expertise revolve around political transitions, electoral operations, conflict and security, and electoral integrity.

Slobodan Milic

Senior Advisor for Political Party Programs, NDI

Slobodan is a Senior Advisor at the National Democratic Institute (NDI), focusing on political parties, local governance, and youth involvement in political processes. Currently, within NDI's Political Party Development team, Slobodan plays a role in aiding political parties worldwide to fortify their democratic frameworks and enhance their competitive edge.

This event will be moderated by IRI's Marian Ware and will feature a discussion with IFES's Dr Staffan Darnolf, IRI's Jessica Keegan, and NDI's Mario Mitre.
